

## **WE NEED YOUR HELP!**

### **History, Fun and Free Refreshments!**

We have been working hard behind the scenes to produce some new ways for visitors to find out about the church's history. We need you to help us test it out. We will be holding a testing day on:

**WEDNESDAY 2<sup>ND</sup> JUNE**  
**10 AM - 2 PM**  
**AT ST PETER'S CHURCH**

You can:

- Explore the church's history and the history of Nottingham through our new exhibition and trail
- Take part in children's activities
- Enjoy free refreshments
- Help your church get it right!

To help with social distancing and to allow us to manage numbers - please email Sarah (Heritage Project Outreach Officer) at:

[heritageofficer@nottinghamchurches.org](mailto:heritageofficer@nottinghamchurches.org)

or you can book on using this form - [St Peter's Pilot](#)

You can expect to be in the church for around 30 mins - 1 hour. We will ask for your feedback during the session.
